

Helpful hints on how to open your locker:

Sample Locker Combination: 15-22-36 (Remember: Right---- Left----Right)

Step 1: Turn your dial several times to the right to begin. Begin to slow up and stop on the first number (15)

Step 2: (Two (2) dial turns to the **left**)-First turn; go past the 2nd number in your combination (**22**), second turn stop on the 2nd number in the combination (**22**).

Step 3: (1 dial turn to the **right**)- Turn directly to your last number (**36**).
